Experience and employment history:

- **Inteknology & solutions:** part time and full time employment from 2016 to present in a number of roles.
 - **Asset Reclamation Sales Specialist** 2023 – Present
Executed marketing and sales of products and recovery of precious metals, optimizing reclamation processes and maximizing value recovery.
 - **Logistics and Quality Assurance Manager** 2019 –2023
Managed and coordinated order preparation and shipping documentation, Conducted quality inspections of materials and equipment, Provided customer support.
 - **Inventory Management Specialist** 2017 –2019
Managed inventory control and secure custody transfer of electronics and recyclables, including circuit boards and industrial equipment. Tasks included: product receiving, inventory control, and general operations.
- **Volunteer:** Allen Community OutReach Food Pantry from June to December 2015.
 - I unloaded trucks full of food, helped inventory and organize, restocked, interacted with customers, as well as weighing, bagging, and recording food going in and out.
 - Contact: Geoben A. Johnson, C.P.M Food Pantry Manager, 801. Main Street Allen, TX 75002, foodpantry@acocares.org or Office 972-727-9131, cell 214-454-5995
- **Capstone project:** I created a portable PC desktop setup for graphics intensive programs. Allows rendering graphics heavy programs such as CAD, video, and audio to be available while traveling.

- Learned about solving a problem in a step by step process.
- Designed layout of computer components for air flow and management of space.
